Summer is almost here and our goal is to make your planning as simple as possible. This is a supplemental list to use for planning your activities, camps and travel for Summer 2013. Full descriptions and website links on camps can be found on SanDiegoParent.com along with a great Events Calendar. Check the ParentPerks to see which offer special camp discounts for early registration and siblings.

We have so many fun camps for kids in San Diego. Most are offered on a weekly basis and some offer a daily rate. Many offer scholarships for families in need. Children as young as 3-years-old can enjoy half day and full day programs and teens can find day, overnight camps, family camps, teen activities and counselor in training (CIT) programs. Being a CIT gives older kids the opportunity to learn what it means to be a camp counselor. Most are volunteer positions and the CIT's get great training.

With a list of over 250 camps in our Guide this year, you are sure to find one for your child.

Look for our Preschool Guide this fall. Have a great summer!
